

# CARBON NEUTRAL SCHOOLS

A step towards a greener, more environmentally conscious future!

## TOP NEWS FROM THE PREVIOUS MONTHS

### ONLINE COURSE

The online course titled "Organization's Low Carbon Expert" is available on the project's website: <https://www.carbon-neutral-schools.eu/e-learning>. The main aim of the course is to educate school staff and students who want to become Green Ambassadors and lead their institutions towards a more ecological future.

For now, we only published the English version but the translations will be implemented soon.

### MEETING IN ROME

In May, we met each other in Rome. During the International Partnership Meeting, we discussed the translation of the online course. We also brainstormed the ideas for the Green Ambassador's Toolkit and made detailed plans on how to create it.

### GREEN AMBASSADOR'S TOOLKIT

We have started working on the development of the Green Ambassador's Toolkit with resources and instructions helping to implement climate-friendly activities in schools and all kinds of educational institutions. The result will be available on the project's website in the Spring of 2025.
